There are only very few single available rooms in the place; So we propose double and tripple rooms. However, if you have a condition that necessitates (e.g. illness or snoring ) let us know and we will try to arrange it. In making the distribution we will consider the language issue as a priority.

The house counts the nights even if you don't take all the meals.

**We do not have a solidarity fund for this purpose but the Euroteam will do their best to help out where possible. If any National Community feels able to make an extra contribution to the common expenses (including helping other communities to cover the costs) this would be much appreciated and gratefully received.**

In case you have **ANY** question or difficulty don't hesitate to contact the Euroteam.
