

Template for a CLC meeting on the occasion of the 2022 Season of Creation

The Season of Creation is a time to renew our relationship with our Creator and all creation through celebration, conversion, and commitment together. During the Season of Creation, we join our sisters and brothers in the ecumenical family in

prayer and action for our common home. (More at <https://seasonofcreation.org/about/>).

CLC in Europe – Ecology Network designed below a template for a CLC meeting on the occasion of this year's 2022 Season of Creation that is titled “Listen to the Voice of Creation”. It can be freely (and hopefully easily) used by any Christian group and offer it especially to our sisters and brothers in CLC.

In case people are not familiar or aware of the "Season of Creation" then please see this short video [Season of Creation 2021 - YouTube](#)

Prayer

Grace: To open and sensitize our hearts to listen to the needs of Creation
The Burning Bush Ex3:1 - 12

Questions

- What does this reading tell me?
- What are my sandals of an unsustainable lifestyle that I may need to remove?
- What is the burning bush in my life that does not consume but cleanse the nature around me?

First round

Each member is invited one after another to share without interruption by others.

Second round

We take few minutes to reflect on what has just been shared. Then each member may ask questions or react on the first round of sharing. It is not a debate but a way to help each other to walk towards Jesus.

Evaluation

Each member is invited to express in few words his/her feeling about the meeting.

Other Biblical Readings:

- The story of Genesis - birth, curse and greening of the earth: an ecological reading
- Ps104 – The community of creation
